Frosting Star Ties:

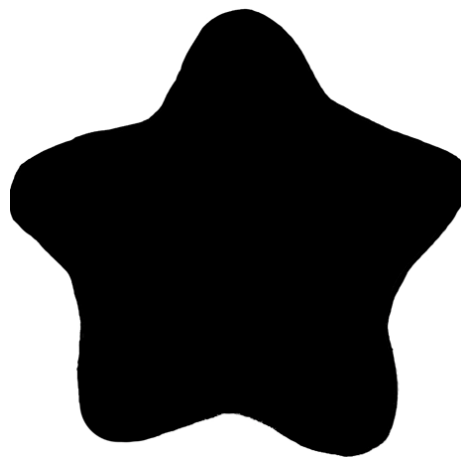

Cut 2 pieces of white cotton 6 inches long. Join tips of stars together. See the picture above as to how I alternated the points of the star. I had two points of the stars on one side and then two points of the star on the opposite side the next time.

Felt:

Trace: The black star above to create your frosting for your Christmas Star Cookies.

Using Fabric Glue: Glue the frosting to the cookies and small pom poms to the top of the frosting for your sprinkles.

{Note: Repeat Star Motif 2 until you reach your desired length for your scarf. Be sure to tie all ends in while working.}
